With the help of the FBI, Mat Carmichael has let himself be re-taken by the Flesh Cartel. Objective? Rescue his brother, exact revenge, and destroy the entire organization from the inside.

FBI Special Agent Nate Johnson will be playing backup, of course, but to get Dougie out alive, Mat will need to make sure his brother is out of Allen's clutches before calling in the troops. Now that Mat's back in bondage, though, there's no way he can do it alone. He'll have to ask for help from the only man within the Cartel who cares about Dougie's welfare: Nikolai. And even knowing it will destroy him, Nikolai delivers.

Bringing down the Cartel should have been the hardest part, but it doesn't take long to realize that the real challenge has only just begun. Dougie doesn't know how to be free anymore, and Mat is forced to admit that he may no longer be strong enough to help himself, let alone his brother. But with loved ones in their corner and their love for each other banked but not extinguished, Mat and Dougie learn that you can come home again, no matter how desperate the circumstances you've left behind.
