*I have found Robert Blair's **The Funeral And Wedding Handbook** to be very helpful. It is well-written, informative, practical, and contemporary for today's minister. It is a great resource book, both for students preparing for ministry and those who have for many years served the Lord's people during these very important stages in life. Having this book is like having a good friend who's always ready to answer the how to and what to questions that come up in these situations. I highly recommend it to all ministers.*
