Learning about wine should be FUN! This book, which was written as a text for our Indulge Wine School students and refined over the past four years, provides the novice wine drinker with all the information she or he needs to feel comfortable picking out wine in a store or ordering wine at a restaurant. The authors strive to make this book fun, so you'll find yourself laughing while you learn about wine. Wine is fun! Shouldn't learning about it be too? We think so! Does wine intimidate you? Get the chills when a server hands YOU the wine list? Well, be afraid no more! Once you read Wine 101: A Fun and Informative Introduction to the Wonderful World of Wine, you'll know everything you'll need to know about the basics of wine - and have fun and laugh along the way. This isn't just another boring wine textbook written by a wine geek. NO! It's a wine book written by an average wine lover (who does know a lot about wine) for people who just want to know enough about wine to be comfortable - not for those who plan to make a living with it. In other words, this book is written specifically for YOU - yes YOU! So, read a few pages of the sample and see if you like it. We think you will. Cheers!
