Curacanga (Portuguese Edition) Paulo S Cavalcante

Curacanga é um romance que se baseia em eventos extraordinários do norte do Maranhão, sobretudo no que se conhece como Baixada Maranhense, uma região formada por cerca de vinte municípios e uma população de mais de meio milhão de pessoas. Charles acredita que pode utilizar o pensamento para projetar coisas importantes. De repente percebe que suas teorias não funcionam nos campos e alagados do norte maranhense - um ambiente onde a vida é integrada a natureza, mas revela um lado hostil que abriga seres de outras dimensões. Prepare-se para uma leitura com o tempo sem definição e personagens marcantes.
