Growing Up Wilder Melissa Newman

Dancy Wilder and her sister Marla are navigating childhood successfully in spite of their father's crazy romantic encounters ~ a spiritualistic grass-smoking hippie, a double-D cup kleptomaniac known over the CB airwaves as Hot Ginger, and an olive-skinned Greek goddess, just to name a few. Dancy and Marla's father, Everett is raising his two girls alone. A perpetual bachelor and successful lady's man, Everett can have just about any woman he wants. Problem is he wants them all ~ and likes them all a little crazy. Follow Dancy and Marla as they grow into strong, capable, common sense women who have taken something of benefit from each of their father's many love interests, including their Momma Lou, a biker chick, who they learn has a secret profession that keeps the Wilder financials in the black.
