This is a straightforward little book about an uncomfortable topic. So many-men and women included-are being slaughtered in their struggle with sexual sin. Individual lives, marriages, children, friendships, influences for good, ministries of gospel preachers, and entire congregations of the Lord's people are being seriously impacted. It is commendable for us to sing, "Soldiers of Christ arise and put your armor on." But if we sing those words, then proceed to ignore where the battle is being lost, the devastation will only continue to grow. If we are going to help men and women of all ages win this battle, we must strike at the root of the problem. We must unashamedly examine God's boundaries. We must call sin, sin. We must sound the call for righteous warfare. We must encourage our brothers and sisters to be steadfast and immovable. We must dedicate ourselves to hard-core holiness and fight sexual temptation with a superior satisfaction.
