Night Journeys Avi

The year is 1768. In eight years, the American Revolution will begin. Newly orphaned, Peter York has been adopted by a deeply religious Quaker family. Peter chafes under his new guardian's strict and unyielding views and vows to break away. He sees his chance when two runaway indentured servants are reported to be fleeing through his community. If he catches one, there will be a reward -- and freedom. But capturing the runaways leads to consequences -- and choices -- Peter cannot foresee.
