She also helps you teach digital citizenship and offers exciting ways to build writing communities where students love to learn.

Special Features:

- Essential questions at the start of each chapter to get you thinking about the big ideas
- A chapter on each of the nine essential cloud-based tools--ePaper and eBooks; digital notebooks; social bookmarking; cloud syncing; cloud writing apps; blogging and microblogging; wikis and website builders; online graphic organizers and mind maps; and cartoons and infographics
- A wide variety of practical ways to use each tool in the classroom
- Alignments to the Common Core State Standards in writing
- Level Up Learning--a special section at the end of each chapter to help you review, reflect on, and apply what you've learned
