Camping With My Dad's Boss

Rebecca thought she was on her way to her favorite camp site for a precious father-daughter vacation

...till she is told that they are also going to be joined by her father's boss - Noel Harper.

Which is bad enough not only because she won't get to spend some much awaited time with her father before she heads off to a different city to begin her new career-driven life;

but the fact that Noel has been the secret object of her desires since she was a teenager means that she is going to spend the next three days resisting temptation.

A Bad Crush for My Dad's Best Friend

Stacy is a 21 year old sweetheart, who has had a crush on her dad's business partner for the better part of two years.

Ever since that fateful day in the gym, when she had walked in on him, and caught a glimpse of his rock hard body, she has had enough material for all the night time fantasies she wanted.

Things heat up for her when her dad offers to take her out to the slopes in order to get some skiing in, and celebrate her 21st birthday with some of the ski lodge's famous cider.

Oh, did I mention — her dad has some business to take care of as well, and Tom is going to be along for the ride.

Join Stacy as she and the man of her dreams chill out on the slopes, and heat up in their private cabin later that night. While Dad's away, Stacy and Tom will play.

.. and many more!
