Joseph A. Saccaro

Developing Safety Training Programs: Preventing Accidents and Improving Worker Performance Through Quality Training (Industrial Health & Safety) Joseph A. Saccaro

Developing Safety Training Programs teaches safety training from the perspective of a safety professional. It is also the first book to incorporate the concept of Job Safety Analysis as a foundation concept. Students will get a thorough understanding of the content of safety training programs, how to select the best pre-developed training aids, and how to write original lesson plans, hands-on practicals, and other instructional material.
