Red-hot satisfaction across the galaxy...

Sharon is fed up with living on earth. With no prospects and no hope left, she applies for a position on one of the coveted mail-order employee positions. Though the **young, inexperienced, and attractive girl** knows she has little chance of ever being chosen.

So you can imagine her surprise when Sharon finds herself being shipped off to another place, far, far away from all she's ever known -- but the real shock comes in the form of her **handsome, mature, and chiseled boss... a well-endowed alien** who doesn't quite respect the same office etiquette as they do on earth.

Sharon doesn't know it yet, but she's in for one **hot, steamy** encounter! As the **muscular boss** is bound and determined to instruct this pure earthling girl in the finer points of **discipline and all things forbidden...**

This book contains adult, mature content -- explicit scenes of passionate happenings!
