The remarkable Lindsey magic is stronger than ever! The spectacular #1 bestselling author returns with a glorious tale of passion and duty set in medieval England. A betrothal has been announced that will join together Britain's two most powerful families , a union of wealth and influence to rival even the King's himself. But not only does the dangerously ambitious King John oppose this wedding, but Milisant and Wulfric : the intended bride and groom , are equally unhappy with the arrangement. Two passionate, headstrong people, they resent being thrown together for purely dynastic reasons. But fate's many twists and turns , and the unpredictable predilections of two unconquerable hearts will turn an unwanted marriage of convenience into a true and eternal joining of desire and love.
