## **On the Razor's Edge (Tales of the Spiral Arm) Michael F Flynn**

The secret war among the Shadows of the Name is escalating, and there are hints that it is not so secret as the Shadows had thought.

The scarred man, Donovan buigh, half honored guest and half prisoner, is carried deeper into the Confederation, all the way to Holy Terra herself, to help plan the rebel assault on the Secret City. If he does not soon remember the key information locked inside his fractured mind, his rebel friends may resort to torture to pull it from his subconscious.

Meanwhile, Bridget ban has organized a posse? a pack of Hounds? to go in pursuit of her kidnapped daughter, despite knowing that Ravn Olafsdottr kidnapped the harper precisely to lure Bridget ban in her wake.

The Hound, the harper, and the scarred man wind deeper into a web of deceit and treachery certain of only one thing: nothing, absolutely nothing, is what it seems to be.
