**A BAD BOY BRITISH SOCCER ROMANCE**

Amber is going to London. She's just landed an internship during her study abroad semester with a celebrity public relations firm. It's an amazing opportunity – and a fresh start. She's smart and ambitious, and after her break-up, she vows never to let a man get in the way of her career. Not ever.

In London, she meets one of her clients at a party - Britain's most brilliant footballer. Amber already knows of Danny's reputation. His one night stands and fights with the press are all over the internet. He's just what she's trying to get away from.

What she doesn't know is that it's just an act and that she'll have to help him heal from a tragedy he's tried so hard to keep from the press. And now, Danny stands to risk it all if he shares his secret...but if he doesn't, Amber will return to America without ever knowing how he really feels about her.

It's a rough play for both of them...
