Worth the Wait (Picking up the Pieces Book 4) Jessica Prince

Cloverleaf was Mackenzie Webster's escape. It was the place where she'd dreamed of starting over, of creating a new life for her and her children. She had a carefully thought out plan for what this new life would look like, and nowhere in it was there room for a new relationship. But the one thing Kenzie never counted on was meeting Brett Halstead.

Brett's life was all about fun and friends. "Long term" wasn't a phrase that fit his lifestyle. That was, until Kenzie walked into his life and turned his laid back world upside down. Now he wants serious. He wants long term, and he wants it with Kenzie and her kids.

But her past refuses to go away and threatens to tear the couple apart. Can Brett break through Kenzie's walls and show her that love doesn't always hurt, or has the damage already been done? The one thing he knows for certain is that a life with Kenzie is worth the wait. And he'll do whatever it takes to prove that to her.
