Europe Beyond Your Means: The Paris Edition Conrad Lucas II

Not your typical travel guide, Europe Beyond Your Means: The Paris Edition presents satirical advice for the discerning traveler who shuns the idea of prepackaged, budget-focused travel tips and instead craves permission to break from the tourist norm, discard the fanny pack, and embrace social commentary. Authors Conrad Lucas and William Norgard have created an original and amusing travel guide that lampoons other traditional, mainstream travel guides while sharing travel suggestions, witty observations, and relevant anecdotes about the endearing quirks of the French, the Parisian culture, and how to have fun in one of the world's most celebrated cities. You'll learn how to find a great place to stay, prepare for inconveniences, dress for cultural success, avoid etiquette blunders, and develop a Parisian disposition. For those ready to abandon the preconceived notions and traditional methods of travel and seek out Paris in a unique way, Europe Beyond Your Means is the perfect companion for knowledgeable travelers who also want to laugh a little along the way.
