**Un mundo feliz\*Retorno a un mundo feliz (Colección Sepan Cuantos: 587) (Spanish Edition)** Aldous Huxley

En Un mundo feliz rige la tríada Comunidad, Identidad, Estabilidad. La Comunidad define un estadio en el cual todo individuo está incondicionalmente subordinado al funcionamiento del todo; la Identidad significa la anulación de las diferencias individuales; la Estabilidad implica el final de toda dinámica social. En la sociedad creada por Huxley los seres humanos no son solo meros compradores de los artículos fabricados en serie por las grandes compañías, sino que ellos mismos parecen producidos por la omnipotencia de éstas, perdiendo su propia individualidad. Esta novela es una fantasía futurista, resultado del sedimento racionalizado del pánico, reacción de los emigrantes europeos llegados a América, especialmente de los intelectuales, ante el trauma causado en el Nuevo Mundo a todo aquel que intenta no cosificarse.
